

Camden 500

Camden 500		
Astoundingly transparent and detailed 500 series mic, line, and hi-z preamp with mojo - two analogue saturation styles that emulate vintage valve and transformer effects.		
Camden 500	CRA0001	RRP: £249.17

500ADAT

500ADAT		
The perfect companion to any ADAT-equipped audio interface. 500ADAT is an 8in/8out ADAT expander with high-performance conversion and low-jitter internal clock, analogue summing mixer, zero-latency artist mixer, and 8-slot high current 500 series rack.		
500ADAT	CRA0003	RRP: £1,165.83

500R8

500R8		
A complete studio-in-a-box. 500R8 is a 28in/30out USB audio interface with high-performance conversion and low-jitter internal clock, comprehensive monitor controller, analogue summing mixer, zero-latency artist mixer, and 8-slot high current 500 series rack.		
500R8	CRA0002	RRP: £1,332.50
